

The CAMPUS where
JOBS queue up !

Make your own PLACEMENT CAMPUS.

EdCampus

Your dream PLACEMENT CAMPUS !

EdServ's PLACEMENT CAMPUS

Have you ever wondered that you would also own a campus serving millions of students' career aspirations? Well, you don't really have to be a millionaire to have one.

Sign-up as EdServ's PLACEMENT CAMPUS franchisee partner. You will realize how easy it is to create your own campus offering placements, thanks to our web enabled, centralized online LAMPS portal right at your office. Unlimited job offers to deliver. Skill matched, Industry vetted, Assessment driven jobs crowding your office. And all that can happen in your 300 sq.ft space with a few Desktop systems because students walk-in to choose careers, undergo tests, and pick up their jobs online without having to study courses.

EdServ's online PLACEMENT CAMPUS (EdCampus) shall expand in over 500 Placement centers across India in the next 6 months. Under this model, EdServ sign-ups franchisee partners who can invest less than Rs. 3 Lakhs to setup contact centers for students, unemployed, and working people in wrong career path to login, register, and secure their most matching job positions through Direct Pre-Career Assessments (PCA) as applicable. This is in addition to the current set of EdCenters that provide job linked automated e-learning based education.

The contact centers trademarked as EdCampus centers, approximately 300 sq.ft in size and web linked with EdServ HQ, will have access to the centralized LAMPS software engine for anyone walking into the center to register for prospective jobs. Final year students, unemployed graduates and diploma holders, and working people with career mismatches can now enrol with EdCampus centers and go through the pool of jobs which are stocked online and live in LAMPS engine.

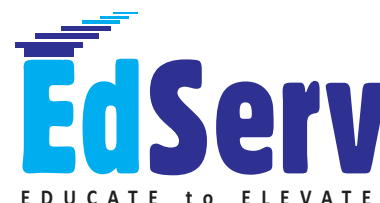

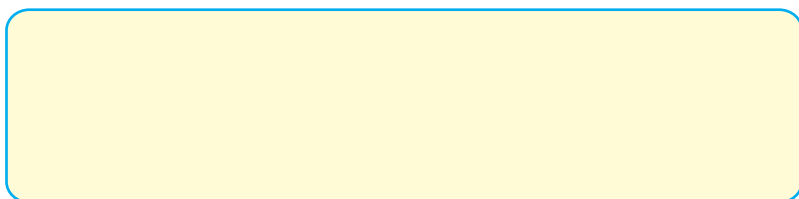

EdServ has back-to-back arrangements with a suite of clients in both IT as well as non-IT domains and verticals and has stocked up over thousands of job positions live on LAMPS engine. LAMPS is web controlled and is viewable and accessible only through authorized EdServ centers.

FEATURES OF EdCampus

- ✎ Partner-driven with less than Rs. 3 Lakhs investment apart from a small office space
- ✎ A couple of Desktop systems connected to broadband Internet is the total infrastructure required
- ✎ Every candidate picks up a job offer with EdCampus on registration
- ✎ Job offers stocked up in thousands in LAMPS database centrally at EdServ HQ
- ✎ Candidates can register across all EdCampus to choose and pick-up all jobs available online
- ✎ LAMPS runs in web controlled framework inside every EdCampus to make jobs visible and to enable job links
- ✎ Direct Placements on clearing the entry criteria to engage to a job position
- ✎ Pre-Career-Assessment (PCA) is mandatory for every such live job position registered by a candidate
- ✎ Addresses a wide market segment viz., Unemployed, working people with mismatched careers, final year students, freshers
- ✎ Thousands of jobs already there live
- ✎ No need to study courses to directly undergo the job engagement
- ✎ Course fee applicable on getting offer letters only
- ✎ Partner sharing on both Registration fee and course fee
- ✎ No additional Hardware, Software licenses required

So, sign-up EdServ's EdCampus to see how you can also become a millionaire serving millions of students. With under Rs. 3 Lakhs of investment and a tiny office space. Because your capacity of delivery is just limited to your mind-space !
