POWER PARTNER

EdServ's POWER PARTNER sign-up model

Have you ever thought you would also become a business person running your own outfit profitably? Well, high investments and the waiting-for-the-first-buck-to-come syndrome need NOT be there anymore in your mind to start your own outfit, thanks to EdServ's POWER PARTNER model. You could also extend your existing business to include or upgrade to our franchise by signing up for a partnership that is power packed with more than one earning mechanism for you to profit even at the driest period of businesses.

Sign-up as EdServ's POWER PARTNER franchisee model of Education & Placement business. You will realize how easy it is to setup and switch on the business with students / unemployed crowd your place for picking the their courses or jobs on their own. Thanks to our HEADS model and the LAMPS technology engine, you as a franchisee partner just raise your little finger to collect money and manage your EdCenter / EdCampus premises apart from doing what you are best at. Rest is taken care including your profitability.

EdServ's POWER PARTNER is well crafted for today's hard-hit industry which is already reeling under slowdown. The model has affordability and earnings based sharing as the mantra for your business. This enables partners to first see their money before we as Corporate see our money ! Your POWER PARTNER centers trademarked as either EdCenter / EdCampus centers, approximately 300-600 sq.ft in size and web linked with EdServ HQ, will have access to the centralized LAMPS software engine for anyone walking into the center to register for prospective jobs as well as for courses for skill development. Final year students, unemployed graduates and diploma holders, and working people with career mismatches can now enrol with EdCenter / EdCampus centers with less than Rs. 1,000/- to set their career right on their own. All these happen without any faculty at large, and without running around to manage the crucial student-opportunity connectivity !

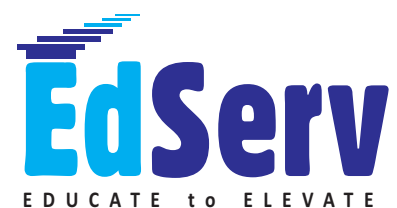

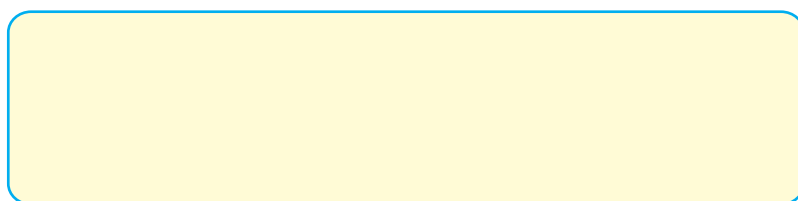

EdServ has back-to-back tie-up with a suite of clients in both IT as well as non-IT domains and verticals and has stocked up over thousands of job positions live on LAMPS engine. As a POWER PARTNER you will also be central to such opportunity creation as well as a beneficiary when the opportunity is picked up. LAMPS is web controlled and is viewable and accessible only through authorized EdServ centers. Further, LAMPS houses over 350 subjects in metrics based e-learning format to address wide range of skill needs.
